

11th September 2026

Dear Parents and Guardians,

As part of our science learning on rocks, fossils and soils and our history learning about the Stone Age, we have arranged a school trip for all of year 3 to Kents Cavern on Friday 23rd October.

Whilst at Kents Cavern, the children will be taking part in an extended cave tour and a workshop on handling artefacts as well as having the opportunity to explore the woodland trail. This is a fantastic opportunity to deepen their history and science learning!

To enable the activity to go ahead, we are asking parents for a contribution of £5 per child. This covers entry to the venue and the activities they will take part in during the visit.

We will be walking to Kents Cavern and back so children will need to make sure they are in full uniform with waterproof coats and suitable footwear. We ask that your child comes into school with a water bottle and a packed lunch in a small backpack. If you would like a school packed lunch, please make sure you order through the app by Friday 16th October.

As we prepare for the trip, we kindly ask that you ensure all your contact details and child's medical information is up to date via your MCAS login. This information is crucial and will be referred to if needed during the trip. Please do speak to your child's class teacher at the end of the day if you have any additional comments.

Additionally, please make sure you have ticked the consent for trips in the 'Parental Consents' tab via your MCAS app. This is essential for your child's participation.

Kind regards,

Mrs Wolfe and Miss Wilson
