

Annex 1: Ellacombe C of E Academy Attendance Information

Underpinned by our Trust Vision of Flourishing Futures, at Ellacombe C of E Academy we seek to support all pupils.

Our Christian Vision of 'Together we take footsteps towards a brighter future' means that we work together as a school family to flourish and thrive as individuals. We seek to support all families to feel safe, cared for and valued- you all belong here at Ellacombe Academy.

Who is in place to support?

Your child's teacher is always the first person to speak to about their education and welfare, including attendance.

All staff have had support and development to enable them to be confident in this, we encourage you to speak to any member of staff to gain advice.

For reporting non-attendance, please do contact the school admin team by calling 01803 293040 by 8.30am.

Should you require further support, the School Attendance Champion is Mrs Baker

They can be contacted on the school telephone number: 01803 293040.
In addition, email correspondence can be sent to ellacombe@lapsw.org

Mrs Corline (SENCO/Assistant Head of Academy) also offers attendance support and can often be contacted on the school gate or contacting the school on 01803 293040.

Daily procedure for good attendance.

There are lots of things that support good attendance and having a routine at home really can help. This means that uniform, school bag and or drinks bottles etc are ready to go in the morning. Having a balanced diet, without too many sugary foods and a good bedtime routine can also really support the start of the next day. We support children in school to understand the importance of these, as part of the curriculum. If your child has any worries about school, please talk to their class teacher so that you can discuss ways to work together to support.

This sets out the times for the start and close of the school day:

Time	Activity
8.30	School gates open and pupils should arrive at school. Registers 'open', class teachers monitor which pupils are physically in school on the register.
8.40	School gates close and learning starts, pupils should be in school. Pupils arriving after this will need to enter via the school office and will be marked as 'L' Late
9.00	Any pupil arriving after registers close but before the end of the session (morning or afternoon) will be marked as 'U' and will count as an ABSENCE.

- **It is essential for the safety of all pupils that we know if pupils are going to be absent.**
- Parents must contact the school **before 8.30am** if their child is not going to attend school that day.
- Please do this by contacting the school office on 01803 293040, or talking to the admin team or school staff at the school gate at the start of the day.
- The school monitor who is not physically in school and contact parents of any pupils not in school without explanation.
- If the school has concerns about an absence, they have a duty to act in line with safeguarding procedures.

These are set out here:

- This may include contacting others on a pupil's contact list, contacting Social Workers (if a pupil has one), carrying out a home visit, making a referral to Local Authority Safeguarding Teams, the Police or other agencies.
- The school monitor any pupil who arrives or leaves during the school day e.g. for a dental appointment. There is an afternoon registration after lunch which monitors pupils who are physically in school. Parents and carers may be asked to provide evidence of a pupil's appointment.
